

Synopsis: A Rake's Revenge

Jilted by her lover, Caroline Nash swears off men, but she hadn't planned on getting accosted by the Midnight Marauder, a masked man whose kiss makes her crave more. If only she knew where to find him...

Stephan, the Marquis of Kendrick, poses as the robbing marauder to avenge the *ton's* rejection of his low-born mother. The mistaken encounter with Caroline makes him reconsider his motives.

In order to avoid an arranged marriage to a pompous earl, Caroline begs her best friend Brice to court her at a house-party hosted by the Prince-Regent, but Stephan offers to substitute. Caroline is attracted to him, but no one can compare to the Midnight Marauder.

Can Stephan reveal who he is and risk prison?
